Career objective

Motivated and detail-oriented individual seeking opportunities to gain practical experience in technology-driven roles. Eager to apply technical and analytical skills while continuously enhancing professional growth.

Education

Bachelor of Science in Computer Science

2022 - 2026

Dedan Kimathi University of Technology

K.C.S.E

2018 - 2021

Njiiri School

K.C.P.E

2014 - 2017

Dr. Ribeiro Parklands Primary School

Work experience

Internal Attachment - Dedan Kimathi University of Technology

Jan-2024 - March-2024

- **Hardware:** Performed full-cycle PC hardware assembly, component diagnostics, and peripheral optimization for high-uptime environments.
- **Systems:** Executed clean installations and dual-boot configurations of Windows and Linux (Ubuntu/Debian),including kernel-level driver updates and system hardening.
- **Networking:** Architected local area networks (LAN) utilizing Ethernet (RJ45) standards, managing IP addressing (IPv4), subnets, and layer 2/3 routing/switching protocols.

**Student Mentor - ELC Dekut
Dedan Kimathi University of Technology**

2023 - 2025

- **Instruction:** Conducted technical guidance sessions for the Wings to Fly and Elimu programs, translating complex academic concepts into actionable learning modules.
- **Data Management:** Utilized digital productivity suites (Microsoft 365/Google Workspace) to track student progress metrics and maintain confidentiality in accordance with data privacy standards.
- **Leadership:** Facilitated community-driven technical outreach, coordinating team-based project workflows and milestone tracking.

Pre-University Intern - Equity Bank

Jun-2022 - Aug-2022

- **Fintech Operations:** Supported high-volume digital banking transactions, maintaining 100% accuracy in high-pressure financial environments.
- **Security & Compliance:** Adhered to strict AML (Anti-Money Laundering) and KYC (Know Your Customer) regulatory frameworks to ensure institutional data integrity and security.
- **Cross-Functional Systems:** Collaborated within integrated banking software ecosystems to streamline client inquiry resolution and service delivery.
